The Gee Family Association Education Fund Board of Directors will determine the number and amount of each scholarship available annually based on the funds available. The minimum scholarship award will be \$500. Funds used will come from the interest accrued from the corpus of the Gee Family Association Education Fund invested in interest-bearing accounts. It is anticipated that these will become endowed funds in the not too distant future.

ELIGIBILITY: Applicants must be of Asian descent; at the minimum, must be a graduating high school senior, pursuing education beyond the high school level; have primary residence in the greater Houston area; and have a commitment toward providing service in the community.

- Individual's scholarship, leadership, civic and community involvement
- How the applicant and greater Houston community might benefit

- Evidence of acceptance in an institution of higher learning or valid program

The scholarship committee shall determine the relative weight given to each criterion. A personal interview may be required.
